AIMS and SCOPE

Eurasian Journal of Business and Economics (EJBE) is a refereed academic journal, publishing research articles in the field of business administration, economics, and related fields. The aim of EJBE is to provide an intellectual platform for business economics related social-scientific studies, a platform in which research in alternative paradigms for business and economic inquiry could be presented and debated. The journal seeks to promote interdisciplinary studies over the issues of theoretical, practical, and historical importance in dealing with the rich array of problems in business and economics.
