AIMS and SCOPE

Eurasian Journal of Business and Economics (EJBE) is a refereed academic journal, publishing research articles in the field of business administration, economics, and related fields. The aim of EJBE is to provide an intellectual platform for business economics related social-scientific studies, a platform in which research in alternative paradigms for business and economic inquiry could be presented and debated. EJBE also aims to promote interdisciplinary studies over the issues of theoretical, practical, and historical importance in dealing with problems in business and economics and become the leading business and economics journal in Eurasia. EJBE welcomes not only Eurasian authors, but also authors from all over the world. EJBE will promote the cooperation and communication among the academics and practitioners interested in Eurasian business and economics.
